BASIC IT FOR TRADE UNIONISTS

FREE entry level qualification (6 Tuesdays)
Enrolling now to start 11th January 2022

Stressed out by computers, but can't avoid using them?

No computer skills are needed to get started!

- **Where do you start?**
- **Creating documents and using your images**
- **Finding information and shopping safely online**
- **How to make a video call**
- **Basic troubleshooting when you get stuck**
- **How to protect yourself against viruses, hackers and other online nasties!**

And improve your CV into the bargain!

Basic IT For Trade Unionists: A new course from East Riding College Trade Union Studies
