

INTERNATIONAL WOMENS DAY 2024

How can we increase diversity and inclusion in
Trade Unions?

Change starts with you!

By being active in the Union movement, you can
make a positive impact in the workplace.

You will hear the living experience of Global
Majority Women Trade Union Activists.

We welcome all women, from all trade unions. We
also welcome women who are not part of a trade
union.

MONDAY 11TH MARCH 7.30PM
